Your letter of: 27.07.2010

Our ref.: NŻN/415/92/10

Date: 17.08.2010

Qualification Certificate for product for use in organic farming

issued for: **AST RICHARD Nawozy Naturalne Pakowanie i Handel**
(natural fertilizers, packing and trade)

Upon request of the manufacturer of 27.07.2010, **organic agent improving soil properties under name ASTVIT** was qualified for use in organic farming.

The product was included on the list of fertilizers and agents improving soil properties, qualified for use in organic farming under no. NE/128/2010.

The certificate is a guarantee of value-in-use of the product. **AST RICHARD Nawozy Naturalne Pakowanie i Handel** *(natural fertilizers, packing and trade)* is responsible for quality of the product.

This certificate shall become invalid when changes are introduced in the technology of the product manufacture (raw material composition or origin of raw materials), which may significantly affect properties of the product. Manufacturer should immediately notify the Institute of Soil Science and Plant Cultivation – State Research Institute in Puławy about such changes.
